## REPORT OF THE FIRE WARDS FOR THE TOWN OF NEW HAMPTON

After looking over the three possible sites for the new fire station, it seemed that the most logical place was a piece of property in the New Hampton Village Precinct at the junction of Routes 104 and 3B. For the sum of \$1.00 this property was turned over to the Town of New Hampton by the Precinct.

The Fire Wards, with Mr. Ober, Chairman of the Building Committee, selected the buildings manufactured by the Butler Company after looking over various other types of buildings in Plymouth, Ashland, Laconia and Bristol. The construction was done by the Pierce Company.

It was with regret that the Fire Wards accepted the resignation of Bernard Lowell as Chief of the Fire Department. He felt that he could not do justice to two jobs with his increased duties as Police Chief. It was recommended by the Fire Wards that William Clement be appointed as Fire Chief. This was approved by all members of the Fire Department and he was sworn in on January 17, 1970, by the Town Clerk.

During the year 1969 we were very fortunate in having a reduced number of fires. The Department was called out several times by Mutual Aid which is a great asset to all communities belonging to this organization.

## REPORT OF THE NEW HAMPTON PLANNING BOARD

The New Hampton Planning Board held five meetings during the year 1969. New members added to the Board were Donald Mudgett and Donald Morrill. Miss Hope Swain and Leonard Huckins, as well as Kenneth Torsey, representing the Selectmen, continue to serve on the Board.

The Board has been working on developing a set of standards and specifications for the building of roads for the Town of New Hampton. The Board has been fortunate in obtaining the aid of Ted Kelsey to show slides and speak on the need for Subdivision regulations and Town Planning and such regulations as it may initiate. Mr. Kelsey has spoken to the Fire Department and it is the hope of the Board that he may present his program at the PTA and Grange early in 1970.

With the ever increasing tendency for developers to take advantage of our township and its undeveloped land, it is the hope of the Board to have at least a set of road standards and specifications in subdivision regulations that will help to protect the Town's best interest and economy.

## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

### *Fire Permit*

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

### *Exceptions*

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### *Penalties*

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly

that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smoke in 1970.
